NYSSMA Area All-State

Other Da Capo Products · https://dcmfdocs.dacapowebdevelopment.com/doc/dcmf-teachers/area-all-state/

Each Da Capo Music Festivals (NYSSMA Registration) also has access to the Area All-State (AAS) system. To access the AAS system, click the link in the main menu on the left OR use the KEY function near the top right of your screen to 'switch over' to the AAS system. Alternatively, you can log directly into the aas system by visiting: https://aas.dacapomusicfestivals.com (notice the aas in the web address!)

Your AAS account is locked to the zone in which your school district resides in.

If your district always participates in another zone's Area All-State festival, it is possible for you to register for a "Special Circumstance" account using a different email address as your username. Most zone representatives can share the procedure with you, or you are welcome to email Da Capo Support at support@dacapomusicfestivals.com.
