Da Capo Auditions

Other Da Capo Products · https://dcmfdocs.dacapowebdevelopment.com/doc/dcmf-festival-chair/da-capo-auditions/

Da Capo Auditions is a full featured, user-friendly video submission system where students can upload a number of videos for the purposes of adjudication. Festival Managers can assign Adjudicators to certain 'rooms' and set detailed tasks for students to complete. After the videos are uploaded by a certain date, adjudicators can rate the videos on custom criteria and can choose to share this feedback with the student.
