Professional Development Registration and Management Platform

Other Da Capo Products · https://dcmfdocs.dacapowebdevelopment.com/doc/dcmf-festival-chair/professional-development-registration-and-management-platform/

Da Capo Web Development also created and continues to update a Professional Development Registration and Management Platform where:

- Presenters submit workshop proposals
- Administrators greenlight selected proposals and set enrollment caps
- Teachers register for conferences based on session availability
- Department chairpeople have oversight of their district's staff to monitor registration
- Credit Card processing, Direct district billing, BOCES billing
- Name Badges are generated
- Attendance verified by Admins
- CTLE Certificates are generated
